ZAKARIA HANSALI

DATA OPERATIONS INTERN (PROCUREMENT)

Why I am the Data Operations Intern you need:

You need someone to "consolidate, clean, and structure unstructured data." I am a **Spanish National** with a strong background in **Data Science** (STID). I don't just handle data; I master the tools (Excel, Python) to clean large volumes of information efficiently and error-free. I am ready to join the Madrid team immediately.

DATA HANDLING & OPERATIONS

High-Volume Data Cleaning & Structuring

Excel | Python

- **Relevance:** "Consolidating, cleaning, and structuring unstructured data."
- **Action:** Processed massive datasets (Telemetry logs) containing unstructured information.
- **Technique:** Used **Excel** and **Python** to identify duplicates, fix formatting errors, and structure data into clean tables ready for upload.
- **Result:** Ensured data consistency and accuracy before migration to SQL databases.

Process Automation for Reporting

Efficiency | Operations

- **Relevance:** "Comfortable working with repetitive, process-driven tasks."
- **Action:** Automated daily reporting tasks using scripts, transforming a 2-hour manual process into a 5-minute automated run.
- **Mindset:** I enjoy optimizing workflows to ensure deadlines are met with high precision.

COLLABORATION & MANAGEMENT

Team Operations Manager

Stakeholder Management

- **Relevance:** "Liaising with internal teams to resolve data gaps."
- Managed daily operations for a competitive team, coordinating between players and sponsors.
- Ensured accurate tracking of performance metrics and budget data (Procurement basics).

EDUCATION

B.U.T. Statistics and Business Intelligence (STID)

2022 – Present | France

- Focus on **Data Quality**, **Spreadsheets**, and **Business Operations**.
- Spanish National returning to Madrid for this internship.
