ZAKARIA HANSALI

DATA ANALYSIS INTERN | POWER BI SPECIALIST

> **Spanish National** with a rigorous **French Data Science degree** (STID). I bridge the gap between business operations and data analytics. While you ask for Excel proficiency, I bring **Power BI expertise** and **Python automation** skills to help Lucentra Group turn raw data into strategic assets.

Relevant Projects & Experience

Business Intelligence Dashboarding *Data Visualization Project*

- **Relevance:** "Build clear and concise reports and dashboards."
- Designed interactive **Power BI** dashboards to track business KPIs (Revenue, Growth, Productivity).
- Transformed static Excel sheets into dynamic visual tools for real-time decision making using **DAX** measures.

Operational Data Cleaning & Automation *Data Engineering*

- **Relevance:** "Collect, organize, and validate operational data."
- Developed scripts (Python/Pandas) to automatically clean and validate messy datasets.
- Ensured "data consistency" by implementing automated quality checks before reporting.
- Can automate repetitive Excel tasks to save consultant time.

E-Sport Team Manager *Management & Strategy*

- **Relevance:** "Understanding of key business indicators."
- Managed team operations, analyzing performance patterns to identify improvement opportunities.
- Conducted market research (competitor analysis) to refine team strategy.

Education

B.U.T. Statistics and Business Intelligence (STID) *2022 – Present | France*

- Focus on **Data Analysis**, **Reporting**, and **Business Management**.
- Equivalent to a 3-year Bachelor's degree (180 ECTS).
